Safeguarding and Welfare Requirement: Information and Records

Providers must maintain records and obtain and share information to ensure the safe and efficient management of the setting, and to help ensure the needs of all children are met.

10.2 Admissions

Policy statement

It is our intention to make our setting accessible to children and families from all sections of the local community. We aim to ensure that all sections of our community have access to the setting through open, fair and clearly communicated procedures.

Procedures

- We ensure that the existence of our setting is widely advertised in places accessible to all sections of the community.
- We ensure that information about our setting is accessible and provided in written and spoken form.
- We will provide translated written materials where language needs of families suggest this is required, as well as access to an interpreter. Where necessary, we will try to provide information in Braille, or through British Sign Language.
- We arrange our waiting list in birth order, regardless of registration date.
- We keep a place vacant, if this is financially viable, to accommodate an emergency admission.
- We describe our setting and its practices in terms that make it clear that it welcomes both fathers and mothers, other relations and other carers, including childminders.
- We describe how our practices treat each child and their family, having regard to their needs arising from their gender, special educational needs, disabilities, social background, religion and ethnicity or from English being a newly acquired additional language.
- We describe how our practices enable children and/or parents with disabilities to take part in the life of the setting.
- We monitor the gender and ethnic background of children joining the group to ensure that our intake is representative of social diversity.
- We make our Valuing Diversity and Promoting Equality Policy widely known.

- We consult with families about the opening times of the setting to ensure we accommodate a broad range of families' needs.
- We are flexible about attendance patterns to accommodate the needs of individual children and families, providing these do not disrupt the pattern of continuity in the setting that provides stability for all the children.
- We accept children from the first term following their third birthday, either September, January or April.
- There is no guarantee of available session but we will try to accommodate the needs of the children on the waiting list and notify parents/carers of session availability roughly 6-8 weeks before the anticipated start date.
- Once sessions have been offered and accepted, children and parents/carers will be invited to Pre-School for a 'Stay and Play' session to meet keyworkers and experience Pre-School routines.
